

Bringing Climate Solutions Down To Earth.

3Degrees Recognizes

BOUNCEWEB

FOR EXTRAORDINARY
ENVIRONMENTAL LEADERSHIP
THROUGH THE SUPPORT OF
RENEWABLE ENERGY

This Renewable Energy Certificate purchase supports 6,000 kilowatt-hours of electricity generation sourced from wind farms across the nation.

Environmental Benefit: Prevents the emission of 9,414 pounds of carbon dioxide.
Equivalent To: The amount of carbon dioxide absorbed annually by protecting 1 acre of forest.
